IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR ELECTRONIC TRANSACTIONS ON YOUR PERSONAL DEPOSIT ACCOUNT ONLY

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Please call us at **1-800-277-2175** or write to us at: **SouthState Bank, N.A., Deposit Operations, P.O. Box 118068, Charleston, SC 29423.**

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 days to do this, we will apply a provisional credit to your account in the amount you think you have been charged in error so you will have use of the money during the time it takes us to complete our investigation.

While we investigate whether or not there has been an error, the following are true:

1. We cannot try to collect the amount in question or report you as delinquent on that amount.
2. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

Business Deposit Account Agreement

The Business Deposit Account Agreement ("Agreement"), which governs your account with us, has been updated. This agreement is effective on **May 1, 2025**, and it will amend and replace your current deposit account agreement. Specifically, the following sections have been revised:

Account Ownership Provisions

The "**Who can pledge an account as collateral?**" section clarifies who has the right to pledge the account as security for repayment of any debt owed to SouthState.

The "**Can you transfer an account to another person?**" section clarifies the exception of debts owed to SouthState.

Funds Availability Policy

Our Funds Availability Policy has been updated to include that we may apply holds to funds deposited into certificates of deposit.

The **"What is our policy on deposit holds? When will the funds deposited be available for you to withdraw?"** section now includes an updated cutoff time of 6:30 p.m. ET for incoming domestic wire transfers.

The "**Can we hold funds longer in some cases?**" section reflects new dollar thresholds for Regulation CC. The minimum amount of funds from certain check deposits for next business day availability has increased to $275. Additionally, the large-deposit threshold for which we may further delay the availability of funds has increased to $6,725.

The "**Do new accounts have special rules for holds?**" section reflects the new dollar threshold for Regulation CC. The minimum amount of funds for next business day availability for new accounts has increased to $6,725.

Funds Transfer Services

The "**What is an Instant Payment?**" section clarifies the 9 p.m. ET cutoff time for funds transferred and the availability of funds. It additionally clarifies that instant payments received are not considered direct deposits for the purposes of fee waivers and bonuses. The section has also been updated to reference the use of Treasury Navigator® to send payments.

You are responsible for reviewing and becoming familiar with these changes, and we encourage you to review the complete Agreement for additional information. You may view or print the Agreement at **www.SouthStateBank.com/BusinessAccountAgreement** or visit your local branch to request a copy. You should retain this notice along with the Agreement for your records. Please note that continuing to maintain and use your account(s) beyond the effective date constitutes your agreement to and acceptance of the Agreement.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR ELECTRONIC TRANSACTIONS ON YOUR PERSONAL DEPOSIT ACCOUNT ONLY

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Please call us at **1-800-277-2175** or write to us at: **SouthState Bank, N.A., Deposit Operations, P.O. Box 118068, Charleston, SC 29423.**

2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. While we investigate whether or not there has been an error, the following are true:

1. We cannot try to collect the amount in question or report you as delinquent on that amount.
2. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

4. We can apply any unpaid amount against your credit limit.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COM PUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COMPUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day.
