Lessor shall not be liable for any injury or damages suffered as a result of the interruption of these utilities services by fire or other casualty, strike, riot, vandalism, the making of necessary repairs or improvements or any other cause beyond Lessor's control.

B. All license or permit fees, business and occupation taxes, and taxes applicable to property of Lessee or business conducted on the Premises presently in effect or subsequently levied by Federal, State, County or Municipal Governments, or any political subdivision thereof. When possible, Lessee shall cause its trade fixtures, furnishings, equipment and all of its other personal property to be assessed and billed separately from the real property of the Lessor. If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to such Lessee's property within ten (10) days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

C. 8. Lessee shall examine the Premises before taking possession hereunder, and such taking of possession shall be conclusive evidence that Lessee has accepted the Premises in good order and satisfactory condition.

NATURE OF USE

orders; shall not occupy or use the Premises for any purpose not specifically authorized by the Lease; shall not make or permit any use of the Premises which may be dangerous to life, limb or property, or which increases the premium cost or invalidates any policy of insurance covering or carried on the Premises, the Building or its contents. ALTERATIONS

10. Lessee will make no alterations in, or additions to, the Leased Premises without first obtaining the written consent of the Lessor. Lessor may impose such reasonable conditions on its consent, as Lessor deems appropriate. In the performance of such work, Lessee agrees to hold Lessor harmless from any damage, loss or expense and to comply with all laws, ordinances, rules and regulations of any proper public authority. Upon termination of this Lease, such alterations, additions and improvements made in, to or on the Premises (except unattached moveable business fixtures) shall remain upon and be surrendered as a part of the Premises; provided, however, that upon Lessor's request, Lessee shall promptly remove such additions, alterations or improvements and restore the Premises to its original condition, at Lessee's sole cost and expense.

ACCIDENTS AND INDEMNITY

11. All personal property on the said Leased Premises or within the Common Area shall be at the risk of Lessee. Lessor shall not be liable to Lessee for any damage to persons or property resulting from the carelessness, negligence or improper conduct on the part of a co-tenant or anyone other than Lessor, nor will Lessor be liable for any damage, theft or injury to persons or property sustained by Lessee or others in and about the Leased Premises whether or not resulting from any conditions of the Premises or the Building and/or common area of which the Premises are a part or other cause, including but not limited to, damage by water, fire or explosion not resulting from negligence of Lessor. Lessee shall give Lessor prompt notice of any defects in the Premises to be remedied by Lessor and Lessee agrees to defend and hold harmless Lessor from any claim, action and/or judgment for injury or damage to persons or property arising from Lessee's use of the Premises, or the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by the Lessee's business or from any activity, work or things done, permitted or suffered by the Lessee in or about the Premises, unless caused solely by Lessor's negligence.

HAZARDOUS WASTE

12. Lessee shall not dispose of or otherwise allow the release of any hazardous waste or materials in, on or under the Premises, or any adjacent property, or in any improvements placed on the Premises. Lessee represents and warrants to Lessor that Lessee's intended use of the Premises does not involve

the use, production, disposal or bringing on to the Premises of any hazardous waste or materials. As used herein, the term "hazardous waste or materials" includes any substance, waste or material defined or designated as hazardous, toxic or dangerous (or any similar term) by federal, state or local statutes, regulations and ordinances, and with all orders, decrees or judgments or governmental authorities having jurisdiction, relating to the use, collection, treatment, disposal, storage, control, removal or cleanup of hazardous waste or materials in, on or under the Premises or any adjacent property, or incorporated in any improvements, at Lessee's expense.

After notice to Lessee and a reasonable opportunity for Lessee to effect such compliance, Lessor may, but is not obligated to, enter upon the Premises and take such actions and incur such costs and expenses to effect such compliance as it deems advisable to protect its interest in the Premises; provided, however, that Lessor shall not be obligated to give Lessee notice and an opportunity to effect such compliance if (a) such delay might result in material adverse harm to Lessor or the Premises, (b) Lessee has already had actual knowledge of the situation and a reasonable opportunity to effect such compliance, or (c) an emergency exists. Whether or not Lessee has actual property as a result of Lessee's use of the Premises, Lessee shall reimburse Lessor for the full amount of all costs and expenses incurred by Lessor in connection with such compliance activities, and such obligation shall continue even after the termination of this Lease. Lessee shall notify Lessor immediately of any release of any hazardous waste or materials on the Premises.

Lessee agrees to indemnify and hold harmless Lessor against any and all losses, liabilities, suits, obligations, fines, damages, judgments, penalties, claims, charges, cleanup costs, remedial actions, costs and expenses (including, without limitation, attorney's fees and disbursements) which may be imposed on, incurred or paid by, or asserted against Lessor or the Premises by reason of, or in connection with (a) any misrepresentation, breach of warranty or other default by Lessee under this Lease or (b) the acts or omissions of Lessee, or any sub-lessee or other person for whom Lessee would otherwise be liable, resulting in the release of any hazardous waste or materials.

LESSEE'S INSURANCE REQUIREMENTS AND LESSOR'S INSURANCE REQUIREMENTS

13. Lessee, at its sole expense, shall procure and maintain in full force and effect general comprehensive public liability insurance in responsible companies, qualified to do business in the State of Washington, which shall insure Lessee and his agents and employees against all claims for injuries or death to persons occurring in or about the Leased Premises in the amount of at least $1,000,000.00 for any one person and in the amount of at least $1,000,000.00 for any one occurrence, and against all claims for damages to loss of property occurring in or about the Leased Premises in the amount of $1,000,000.00 or such other amount as Lessor shall deem necessary, based on periodic insurance reviews, in respect to injury or damage to persons or property.

Lessee agrees to furnish Lessor with policies or certificates of such insurance, naming Lessor as an additional insured, prior to the commencement of the term hereof. Each policy shall be non-cancelable without at least ten (I0) days written notice to Lessor.

Lessor agrees to provide fire insurance in reasonable amount of the building only -not contents. Lessee covenants and agrees that it will not do or permit anything to be done on the Leased Premises during the term hereof, which will increase the rate of Lessor's insurance on the building of which the Leased

Premises form a part, above the minimum rate which would be applicable in such Premises for the Lessee's type of business and Lessee agrees that in the event it shall cause such an increase in the rate of insurance, it will, upon request by Lessor, promptly pay to the Lessor, as additional rent, an increase in premiums resulting therefore.

DAMAGE OR DESTRUCTION

14. Subject to the provisions of this Paragraph 14, if the Premises are damaged and such damage was caused by a fire or other casualty included within the classification of casualty as defined in a Standard Fire and extended coverage real property insurance policy, Lessor shall, at Lessor's expense, repair such damage, but not Lessees' fixtures or equipment, and this Lease shall continue in full force and effect. Provided, however, in the event the Premises are damaged to such an extent as to render the same untenantable in whole or in a substantial part thereof, or destroyed, it shall be optional with the Lessor to repair or rebuild the same; and after the happening of any such event, the Lessee shall give Lessor immediate written notice thereof. Lessor shall have not more than thirty (30) days after notification to notify the Lessee in writing of Lessors intention to repair or rebuild said Leased Premises or the part so damaged as aforesaid but not Lessee's fixtures or equipment, and if Lessor elects to repair or rebuild said Premises, Lessor shall execute the work of such repairing or rebuilding without unnecessary delays.

LESSOR'S RESERVATIONS

19. Lessor reserves the right, without liability to Lessee, to enter the Premises at reasonable hours, after reasonable notice, to make inspections, repairs, alteration or additions to the Premises or to the Buildings, to show the Premises to prospective tenants, purchasers or others, to display, during the last ninety (90) days of the term, "For Rent" and similar signs on windows or elsewhere in or on the Premises, to change the name of the Buildings or street address as required and to perform any acts related to the safety, protection, preservation, re-letting, sale or improvement of the Premises or of the Buildings.

LOCKS, KEYS AND ACCESS

20. No additional locks shall be placed upon any door of the Leased Premises without the written approval of the Lessor, and any additional locks approved and installed by Lessee must be keyed to accept Lessor's passkey, and any expenses incurred due to Lessor's inability to access the Premises will be born by Lessee. At the termination of this Lease, Lessee shall surrender all keys to the Leased Premises.

BREACH

21. If Lessee fails to pay rent and correct said breach within three (3) days after written notice thereof from Lessor or fails to correct any other breach of this agreement within ten (10) days after written notice thereof from Lessor, then Lessor may at its option without further notice or demand:

A. Cure such breach and charge lessee with the expense associated with the cure said charge to be paid as additional rent due on the first (1st) day of the following month; or

B. Re-enter the Premises, remove all persons therefrom, take possession of the Premises and remove all equipment, fixtures and personal property therein at Lessee's risk and expense and (1) terminate this Lease or (2) without terminating the Lease or in any way affecting the rights and remedies of Lessor of the obligations of Lessee, re-let the whole or any part of the Premises as agent for Lessee, upon such terms and conditions and or such term as Lessor may deem advisable, in which event the rents received shall first be applied to the costs and expenses of re-letting, including necessary renovation and alteration, any real estate commission incurred, and the balance of such rent shall be applied towards payment and all sums due or to become due to Lessor hereunder, and Lessee shall pay to Lessor monthly and deficiency; however, Lessor shall not be required to pay any excess to Lessee.

The failure of Lessor to terminate this Lease at any time for the breach of any of the terms hereof shall be deemed only an indulgence by the Lessor, and shall not be construed to be a waiver of the rights of the Lessor as to any continued or subsequent breach. The above remedies are cumulative and in addition to any other remedies now or hereinafter allowed by law or elsewhere provided in this Lease.

REMOVAL OF PROPERTY

22. Any goods or fixtures of Lessee removed by Lessor in accordance with Paragraph 21 (B) above may be stored by Lessor at the cost and expense of Lessee and at the sole risk of Lessee and without any further responsibility on the part of Lessor, and Lessor may, without removing said goods or fixtures or after removing said goods and fixtures, at the sole discretion of Lessor, without obligation to do so and without any notice to Lessee, sell or dispose of the same at public or private sale for the account of Lessee, in which event the proceeds therefore may be applied by Lessor upon any indebtedness due from Lessee to Lessor. in installing or removing signage and shall repair any injury or damage to the Premises caused by such installation or removal.

30. This Lease and the interest of Lessee hereunder shall at all times be subject to any and all now effective or hereafter executed mortgages and/or deeds of trust which may now or hereafter effect Lessors estate in the real property of which the Premises form a part and all renewals, modifications, replacements or extensions thereof Lessee shall promptly execute any instruments which may require to evidence such subordination.
