P&L Overview (Page 2)

- Discuss Keystone's history, including the evolution of your new client pipeline, additional service offerings, and investments in your team
- Do you perform any attestation work or other services requiring licensing?
- What have been the primary drivers of your client growth?
- Where have you been reinvesting the business's cash flow?
- What costs do you consider discretionary or one-time in nature – client growth initiatives, R&D, or other non-recurring items?

Revenue Items (Pages 3 & 4)

- Describe the services you perform for your "STR Subscription" clients
- Please describe the relationship between your "STR Subscription" revenue, if any, and your other service accounts such as "STR Bill Pay", "Topkey Subscription", and "Occupancy Taxes"
- Describe the "Occupancy Taxes" revenue line and explain what factors drove the increase in revenue from late 2025 through YTD 2026
    - What portion of Occupancy Tax clients come from your existing book of business versus clients won directly for that service?
- Describe the nature of your "STR Bill Pay" account, including the services offered and growth drivers
- What happened to the "Historical Cleanup" revenue account in 2026 vs. 2025? Was it reclassified?
- What has driven the decline in "SMB Subscription" income over the historical period?
- What factors drive the "1099 Filing" and "Income Tax" nonrecurring revenue accounts?
    - What do you see as a reasonable amount of normalized nonrecurring revenue?
- Do you have any established or pending revenue share agreements or affiliate partnerships? Does the "Profit Share" revenue line relate to one of these arrangements?

Payroll Expenses (Page 5, 7, & 8)

- What factors have driven the increase in "Indirect Labor" from $202K in LTM July'25 to $695K on a pro forma basis as of July'26?
- How do you think about staffing ratios and client account loads for your bookkeepers?
    - What KPIs do you target?
- What are the responsibilities of your client leads?
- Why hasn't client lead payroll increased proportionately with bookkeepers/net client growth?
- Which employees are included in your "Sales & Marketing Wages" account?
    - What are the responsibilities of your sales and marketing employees (classified as $8,200/month)
- How many clients are you winning from S&M employees per month?
- Please describe your "Occupancy Tax Specialist" account
    - Which revenue items are they responsible for?

- Please explain your staffing approach for controller clients
- Are there any bonus, commission, or profit-sharing arrangements, and are they fully reflected in these accounts?
- What factors have contributed to turnover through the historical period?

Software Expenses (Page 6 & 8)

- Please explain the nature of your four “Software & Apps” expense accounts
    - What is the cost and markup for software billed to clients?
- What factors have driven the increase in “Software & Apps” accounts over the past 12 months
- What synergies/opportunities do you foresee when integrating with Topkey’s resources?

Operational Expenses (Page 6)

- What are “Other Professional Fees” and what drives this account?
- What portion of your “Travel, Meals, & Entertainment” expenses are personal in nature?
- Please explain the structure of your “Referral Fees”?
- Please explain the nature of your “Payment Collection Fees” account?
- Do you plan on continuing your annual “C&M - Ticket/Sponsorship” spend ($11K LTM)?
- How should we think of your “Recruiting Fees” account ($9K LTM)?
- Do you rent or lease any office/storage spaces?
